At the IRS we want to answer questions better solve problems faster and even smile a little more.

On our special Problem Solving Days, you can walk into an IRS office with a tax problem and get help on the spot. See our Web site for local schedules, or call our toll-free hotline.

For tougher problems, there's the IRS Problem Resolution Program. Your own personal advocate can be assigned to step in and work with you to reach a solution.

With IRS *e-file* you can file fast and get your refund fast by filing electronically. Now e-filers can also *pay* their taxes electronically.

There's a new emphasis on *service* at today's IRS.

To serve you better and faster, we're expanding our hotline phone hours. As of 1999, you can call toll-free 24 hours a day, seven days a week to speak to an IRS expert.

And we've loaded our IRS Web site with Frequently Asked Questions plus lots of helpful facts for taxpayers.
